IMPORTANT NOTE

1) If the person responsible for this account isn't married with the student's mother or father, accordingly, the academy assumes that the person in charge of the account has shared patria postestas (patria potestad) of the minor. If not, the person with sole patria postestas must provide the academy administration with the corresponding legal documents to refute the above assumption. If the person responsible of the account doesn't have partria postestas over the student, Da Vinci Academy assumes that the person who has patria postestas authorizes the person responsible for the account to access all confidential information regarding the student. If you don't have patria postestas, but are responsible of the account, please specify your relationship with the student and your full name:

Name: _____

Relationship: _____

2) Da Vinci Academy reserves the right of admission.

3) This application of enrollment will not be considered if not signed.

4) All official documents and accounts information regarding the student will be mailed to the person responsible for the account.

I would like to reserve the space for my child for the following school year. I understand that by paying the deposit of the tuition fee I'm only reserving his/her space. I acknowledge that enrollment fee, or any other fees paid, are not reimbursed in case of withdrawal.
